A Quick Note

As we continue through this year of recovery, I want to take a moment to make sure you're aware of exactly where your donations go:

With current district financial restrictions on vendors for goods and services, one of our greatest assets is our Music Booster organization. Boosters have the freedom to purchase goods/services without restrictions, which helps out immensely with a much smaller district vendor list than in years past.

Your donations help us purchase the following (including, but not limited to):

- Next year's marching show music
- Custom Marching Drill design (spots on the field)
- Supplemental instruments and accessories
- New Marching Uniforms (slated for Fall 2023!)

Finally, if you decide a concert doesn't seem appealing or may not work with your schedule, please consider [donating here](#). This year has been full of growth as we return to a year resembling normal in the world of Covid-19, and yet we still face challenges regarding district funding and purchasing. Anything you're willing to donate will be immensely appreciated. Our program has been able to do SO MANY wonderful things and achieve major successes thanks to support from the Lakes of Parkway community!

If you have ANY questions, please don't hesitate to reach out to me directly at GGONZA29@houstonisd.org!

Warmest Regards,
